Materials List

1/4" Plexiglass per pattern
Sears auto switch 00924031000 \$19.99
Sears Shop Vacuum (on sale)
2' 1-1/2" pool hose (good hardware store)
3/8" threaded rod (or cut a carriage bolt)
2 - 3/8" nylock nuts
2 - 3/8" nutsConnector for hose to plexiglass
Length of 2 1/2" dust hose w/ female connector
Delta band saw dust spout part 426020260003
or 1" Liquid-tight electrical elbow

Assembly Tips

- 1) Remove the Skilsaw Plate bolt and drill smaller hole out for 3/8" bolt.
- 2) Bend plexiglass using a heat gun to warm it up slowly.
- 3) Fit plexiglass shields and mark hole with a bolt not all the way through.
- 4) Use masking tape to adapt the hoses to the inside diameter of the hoses.
